Dear Examiner Pilkington:

This paper is in response to the Examiner's Response to Rule 312 Communication dated 1/10/2011. The Applicant gratefully acknowledges Examiner's explanation and guidance in a telephonic interview with the undersigned practitioner on 1/18/2011.

Accordingly, Applicant herewith resubmits an amendment to the claims properly noting that claims 3-11 were canceled and introducing corresponding new dependent claims 16-24 which depend from allowed claim 2. Applicant respectfully requests entry under 37 CFR § 1.312 in view of MPEP 1214.07. No new matter is introduced by this amendment, and the claims are obviously in condition for allowance.

Respectfully submitted,
